NOT CAUGHT napping when the sands of Daylight Savings Time runs out, Pacific Ocean Park's Dinky Doolittle recites that little truism "springs forward, falls back" to remember which way to change the clock tonight. At 2 a.m. in the morning, California will be reverted to Standard Time. Turn clocks back to 1 a.m., but don't plan on lingering in bars for another hour. They will close before the clocks turn back.

News In Brief

HILO, Hawaii (UPI) — The early morning eruption that rocked the Puna Forest Reserve section of the Island of Hawaii was reduced to a series of smoldering rifts today.

The spectacular eruption occurred about 5 a.m. Friday when lava, smoke and sulphur fumes poured forth in a heavily forested, unpopulated and almost inaccessible area about 30 miles from Hilo.

HAVANA (UPI) — Five Cubans sentenced to death on charges of "counter-revolutionary activities" were executed by firing squad today in La Cabana Fortress, a Havana radio broadcast said.

The defendants were convicted earlier today by a military tribunal which charged they were "organized, trained, paid and directed by the CIA" to carry out anti-government activities.

WASHINGTON (UPI) — The Senate today quickly confirmed President Kennedy's choice of New York attorney Fowler Hamilton to head the new single package foreign aid program.

Hamilton's appointment was one of several approved as the Senate sought to clear the way for adjournment.

BERLIN (UPI) — Two elderly women leaped into a West Berlin fireman's net from a third floor window to escape from East Berlin. West Berlin police reported today.

At least 13 other East Berliners fled to West Berlin during the night, police said.

NDOLA, Northern Rhodesia (UPI) — Harold Julien, American U.N. guard injured in the air crash that killed Secretary General Dag Hammarskjold, died today.

Recreation Master Plan Study Seen

City park and recreation commission representatives and planning commission members are expected to meet this fall to discuss a long-range master plan for recreation and park areas here, recreation director Howard Haddock announced.

Haddock forwarded to the park and recreation group a report which had been prepared by the state recreation division in the Department of Natural Resources. Recommended in the report is a 10 year master plan, joint park development adjacent to school sites, and preservation of scenic canyon areas near Palm Springs.

The Palm Springs Unified School District has proposed a joint park development in section two, where a new elementary school is planned.

Non-Stop Air Service Okayed

A recommendation for non-stop Bonanza Air Lines service from Palm Springs to Phoenix eastward, and from Palm Springs to Los Angeles has been given Civil Aeronautics Board examiner Joseph L. Fitzmaurice by CAB's Bureau of Economic Regulation. The recommendation is viewed here as a strong boost to Palm Springs' request for improved air service to major transfer points.

Current service to Los Angeles via Bonanza stops at Riverside or Ontario, and eastbound Bonanza service to Phoenix stops at Blythe.

The economic study group urges one-stop service by Bonanza between Los Angeles and Phoenix, after two daily round trips via the intermediate points.

Palm Springs officials have been joined by civic groups in asking accelerated service here, to speed nationwide flight contracts into this desert resort.

New Water Group Names Samson Head

Desert Agency, In First Meeting, Elects President

Palm Springs Banker Herbert Samson, who spearheaded a drive for action to secure a supplementary water supply for the resort area, today heads a governmental group empowered to negotiate a deal to bring Northern California water to the desert.

Samson was named president of the Desert Water Agency last night as the five men appointed to its board of directors by the Riverside County Board of Supervisors held their first meeting.

Edgar L. McCoubrey was named secretary-treasurer in one of a series of unanimous actions that also brought appointment of Attorney James H. Krieger of Best and Krieger as counsel for the body.

Chamber Start
The Desert Water Agency was created under Assembly Bill 2365, which was initiated by action of a Palm Springs Chamber of Commerce committee headed by Samson. Assemblyman Gordon Colonne pushed the measure through the state legislature.

The agency has authority to levy taxes to meet its expenses and one day in the near future is expected to seek voice approval on a multi-million dollar bond issue that will be needed to finance the aqueducts that will be required to import water to the desert resort area.

Serving on the board with Samson and McCoubrey are Francis F. Crocker and George S. Ripley, all of Palm Springs; and Ivan J. Sharp of Cathedral City, which is the only sizeable unincorporated county community within the 75-square-mile area of the water agency.

Sets Meetings
First official action of the board was adoption of an ordinance setting the second Tuesday of each month and the Palm Springs Chamber of Commerce office as the time and meeting place of the board. The action included adoption of a corporate seal and met other legal technicalities required to activate the agency.

Facing pressure from the state for early completion of negotiations for Feather River Project water, the ordinance was adopted under an emergency clause and is effective immediately.

Financing of the agency was left for a future meeting. It was created too late in the year to levy an assessment against current tax rolls and will have to operate on borrowed capital for at least a year.

ON FORMER HUSBAND

Woman Charged With Knifing

A 48 year-old Palm Springs woman allegedly whipped a butcher knife from concealment in an arm sling she wore, to slash and stab her former husband in a domestic quarrel at 12:15 a.m. today. Palm Springs police reported.

Arrested on charges of assault with a deadly weapon was Janie Pope Peace, 215 S. Via Miraleste. She was held for Palm Springs police early this morning by the Coachella Police Department after she was stopped en route by officers.

In Riverside County General Hospital with a slashed left wrist and stab wounds in the chest under the left shoulder is Lonnie B. Johnson, 42, a former husband of Peace, officers reported.

Investigators said Peace had been driven to her home to get keys to a truck from Johnson. She had planned to drive to Mexico.

Variance Deferred

The city variance board Friday concluded the public hearing on an application for a 17-foot variance on a house height in Araby tract, but deferred a recommendation until a special meeting next Friday.

Chairman Harry Bogart told applicant Albert Miller the board would make a field trip to the site at 2415 Araby Drive. Some neighbors had registered strong objections, board member Adrian Rosen said. Miller and his wife sought the 32 feet elevation in a single story dwelling to shield a water tower on adjacent land.

The board approved plans by Chuck Hoffmeier, operator of Chuck's Welding at 3790 E. Palm Canyon Drive, for metal eight-foot fencing around his storage area, plus palm tree and oleander planting, and oiling of approximately 10,000 square feet of parking area in front.

Hoffmeier's plans also call for remodeling of sections of his work area, dropping the roofline over the main welding bays. The board commended Hoffmeier's plans, lauding him as the only businessman in the area to come in with plans since the city advised several businesses in the area that outside storage would have to conform to city zoning standards. The area was annexed after development of existing business.

'Recovery' of Province Seen As More Fight

LEOPOLDVILLE (UPI) — A Congo government threat to "use its own means" to recover "independent" Katanga Province — presumably by attempted conquest — posed a grave new problem for U.N. officials today.

JFK to Submit Negro Leader As U.S. Judge

By MERRIMAN SMITH

UPI White House Reporter
HYANNIS PORT, Mass. (UPI) — President Kennedy today planned to submit to the Senate the nomination of Negro leader Thurgood Marshall to the U.S. Court of Appeals for the Second Circuit.

Marshall is general counsel of the National Association for the Advancement of Colored People (NAACP). In this position, the noted Negro attorney spearheaded the NAACP legal fight for school integration in the South and pleaded key school cases before the U.S. Supreme Court.

Marshall, a resident of New York, has been mentioned for the Second Circuit for several weeks. His nomination, coming this late in the congressional session, was not expected to stir up the vocal resistance it might have encountered from southern lawmakers a few months earlier.

If the Senate confirms Marshall, he will be the second Negro to occupy such a high place in the federal judiciary. First Negro named to the Court of Appeals was Judge William Hastie, who now sits on the Third Circuit.

The nominations were part of the vast flow of paper between a president and Capitol Hill in the rush toward adjournment. The Chief Executive signed 22 bills in Washington Friday shortly before he left with his wife for a week-end at their summer home here.

With part of his attention directed to the waning Congress, Kennedy also gathered ammunition for his United Nations effort next week to convince Russia that the road to peace is a two-way avenue.

Working here on his Monday address to the U.N. General Assembly in New York, Kennedy put together a speech that will attempt to reassert Western firmness on Berlin without, to the rest of the world, courting war or killing the possibility of negotiating an acceptable settlement with the Soviet Union.

U.S. Seen Moving to German Compromise

NEW YORK (UPI) — There is a growing impression in diplomatic quarters here that the United States may be moving toward a compromise on the question of doing business with the Communist East Germans.

Many experienced diplomats, assessing the bitter East-West deadlock on the Berlin issue, believe this is one area in which the West might eventually be able to make some concession without jeopardizing its "vital rights" — the Allied position in West Berlin and freedom of access to the city.

However, it is certain that any shift in U.S. policy in this direction would come only in return for substantial modification of Soviet Premier Nikita S. Khrushchev's stern demands on Berlin. Secretary of State Dean Rusk, in the midst of delicate Berlin talks with Soviet Foreign Minister Andrei Gromyko, is doing his best to squash speculation of any changes in U.S. policy. He is known to feel that such speculation might weaken his negotiating position.

Observers said any government attempt to seize Katanga probably would lead to new fighting in the mineral-rich province, making it necessary for the United Nations to intervene.

The Congo threat, in a letter sent Friday to U.N. civilian chief Suren Linner, did not specifically mention force, but observers said there were few other means at the disposal of the Leopoldville regime.

At the same time, the Congo army was reported building up its forces on the approaches to Katanga. Three plane loads of troops were said to have flown from here to Luluabourg, in the general direction of the "seceded" province.

Other reports said troops led by Maj. Gen. Victor Lundula, commander of Vice Premier Antoine Gizenga's Stanleyville army, were marching through Kivu Province toward northern Katanga.

The government's letter to Linner reflected disillusionment over the failure of U.N. efforts to seize Katanga, which ended with a cease-fire leaving President Moise Tshombe in effective control of the province.

The United Nations said Friday there had been "isolated breaches" of the cease-fire in Elisabethville, the Katanga capital, but UPI correspondent Peter Lynch reported that the city was quiet.

Segregation Illegal on Some Buses

WASHINGTON (UPI)—The Interstate Commerce Commission (ICC) has made segregation illegal in interstate buses and the terminals they use.

The ICC handed down rules Friday that go into effect Nov. 1. Beginning on that date, buses in interstate travel must display a sign saying "seating aboard this vehicle is without regard to race, color, creed or national origin by order of the Interstate Commerce Commission."

On Jan. 1, 1963, the same statement will be printed on interstate bus tickets. The later date was issued because tickets are printed in advance.

The ICC does not regulate bus travel within states, but the new rules will have the effect of making it illegal to segregate interstate passengers in a terminal used by interstate buses.

But the ICC indicated that the rules would not apply to every independently operated, small-town drug store that sells a few tickets for a bus line.

However, it said agents which provide terminal facilities for the convenience of interstate passengers would be considered a part of the bus line's terminal facilities.

In hearings Aug. 15, the Justice Department urged the ICC to ban segregation in bus travel after the "freedom rider" incidents in the South. The regulations were opposed by the southern states and the motor carriers themselves.

Action on Zone Change Delayed

Action on the Biltmore Hotel's application for a zone change to permit doubling its current size to 300 rooms was delayed until Oct. 4, when the planning commission granted a continuance on public hearing at request of the hotel.

The request seeks rezoning of grounds owned by the hotel from guest ranch to multiple residence.

MARION DAVIES

Famed Actress Marion Davies Dies of Cancer

HOLLYWOOD (UPI) — Marion Davies, one of Hollywood's most glamorous stars of the silent screen and pioneer "talkie" movies, died peacefully in Cedars of Lebanon Hospital Friday night after a four-year fight against cancer. She was 64.

Miss Davies, a successful businesswoman and leader of charities after her movies career, lapsed into a coma last week and came out of it only for fleeting moments since then, hospital attendants reported.

Her physician, Dr. Elliot Corday, said "she was very brave" despite the years of pain and treatment. In her final days, the cancer had spread from her jaw and mouth and become general. She knew she had cancer but was not aware it was fatal, it was learned.

Miss Davies received the last rites of the Roman Catholic Church several days ago. At her bedside when she died were her husband, merchant marine Capt. Horace Brown Jr.; her sister, Rose; a niece, Patricia Lake; a nephew, Charles Lederer; a longtime friend, Marie Clindinning; a priest, the Rev. John O'Donnell, her confessor and personal friend; and doctors and nurses.

Funeral arrangements were pending. The death of the star removes one of the last great names from the movie heyday of the 1920s and 1930s — the era of Rudolph Valentino, Gloria Swanson, Mary Pickford and Douglas Fairbanks Sr. — the pre-television era.

Miss Davies' movies were seen by millions of moviegoers. And offscreen, she was a princess of Hollywood society. At her 110-room Georgian beach home in nearby Santa Monica, she played host for decades to the world's great figures from all fields.

A keen-minded business woman, she built her earnings from movies into a large fortune. In recent years, much of her time and money were devoted to charitable work. In one of her last acts, she provided \$2,100,000 to build a new children's wing at the medical center of the University of California at Los Angeles.

Miss Davies was a long-time companion and business associate of the late newspaper and magazine publisher William Randolph Hearst. After his death in 1951 she married Brown.

For many years a resident of Palm Springs, living on a ranch near Wenden Palms, Miss Davies purchased the famed Desert Inn in Palm Springs in May, 1955. She sold it about three years ago.

ADJOURNMENT BY CONGRESS THIS WEEKEND IS DOUBTFUL

By WILLIAM THEIS

WASHINGTON (UPI)— The Senate removed another major roadblock to adjournment today but the impasse over President Kennedy's big foreign aid money bill raised doubt Congress could quit this week end.

The Senate voted 41-31 to approve a two-year extension of the program under which braceros are brought into this country to help with the harvests. The measure, which tied up the chamber for two days, was sent to the White House.

Still facing Congress at that point was the aid bill and two other money measures, the public works bill and a big supplement

to appropriations bill for a variety of government programs. With some lawmakers already leaving the capital, the aid measure was the toughest hurdle. House and Senate negotiators try-

How scientists work to make your food better and safer will be shown this Sunday and next (Sept. 24 and Oct. 1) on the 1:30 p.m. TV program, "Existence" (KRCA, Channel 4).

Food authority Dr. George Stewart and Crop Specialist Robert Pearl, both of the University of California, Davis, will tell how food processing incorporates desirable qualities.

Modern foods must be safe, attractive in form and color, convenient to use, easy to store and nutritious.

"TOP CAT," television's newest nighttime animated film comedy series, will start Wednesday, Sept. 27, on a regular schedule for 7:30 p.m. weekly on Channel 7. TV IN REVIEW

American Problem Is Dramatically Staged

By FRED DANZIG
NEW YORK (UPI) — On my way to a screening of "Walk in My Shoes," I noticed on a wall a sticker that read, "Cool off now. Action-yes. Democracy-no."

Not only does this slogan express a galvanizing viewpoint held by many American Negroes, it also serves as a proper point of departure for the "Bell & Howell" Close-up that was aired Tuesday night on ABC-TV.

The full-hour program, "Walk in My Shoes," was a thought-provoking, highly dramatic, informative and long overdue TV study that explained the ways and whereof of the "Cool off-No. Action-Yes." attitude.

Boldly, bluntly, the program helped illuminate the forces, movements and ideas that are spurring Negroes to join sit-ins, "freedom" rides and, in many cases, harken to the cries of the black supremacists, personified by the black Muslim movement.

Dr. Gardner Taylor, president of the National Baptist Convention, summarized the point of the program as he said, "Unless very real and substantial progress is made to the democratization of the American communities, the rug will have been pulled completely from under the responsible Negro leadership...and will pass to people whose preachments and negative attitudes towards everything American will have very dire results."

The hour was valuable because it brought moods into focus and gave them a common denominator, summarized perhaps by the speaker who was heard to say he would settle for nothing less than "my fair share of what is out there...whatever I have the ability and the education and the desire to accomplish."

Written by Arthur Holch, narrated by Louis Lomax, produced and directed by Nicholas Webster, the program delivered its message by letting Negroes do the talking. There were interviews and some living-room eavesdropping as the Negroes, all imbued with the vision of upward mobility, argued, exhorted, cajoled and simply conversed.

"Walk in My Shoes" attempted to weld itself into a neat, artistic entity by spending a day with a young Harlem slum-jeweler. This approach failed, however, because it wasn't intensive enough and because it was, basically, the wrong one for the sort of ground the program was covering. But this failure didn't dilute the impact. The powerful comments were enough to bind the story into a memorable TV event.

PALM DESERT

JOSEPHINE LEMONS HAS EVENTFUL TRIP

Josephine Lemons, Palm Desert realtor, has returned home from an eventful summer vacation. Leaving here in June, she went on a trip, unplanned, with no schedules to meet and no definite time of return to her desert home. She planned to Las Vegas first to visit with relatives. From there she boarded the Silver Queen train to see the historic ghost towns, Goldfield and Tonopah, Nev., which were once roaring mining towns. Stops were made at Reno, Lake Tahoe, and on to Klamath Falls, Ore., where she attended a rodeo, parade, and enjoyed a fishing trip on the famous Lake of the Woods, also making a trip into Weyerhaeuser's native logging country. She then proceeded up through the Cascade route to Portland, Ore. with trips to Mt. Hood, Timberline Lodge, Timothy Lake for more trout fishing then on up the Columbia River through Spokane, Wash., thence on to Billings, Mont., via Northern Pacific Railways Vista Dome.

After vacationing in the Big Horn country of Wyoming with relatives who own a huge lumber enterprise which was pioneered by her grandparents she joined the tourist brigade at Yellowstone National Park and the Grand Tetons. Leaving the Big Horn country, she went through the Big Rock Candy Mountains in southern Wyoming, then on to Denver, Estes Park, the Continental Divide and Central City, Colo. Her return was via Santa Fe, N. M. and Flagstaff, Ariz.

News of two of our summer vacationing residents — Mr. and Mrs. Samuel Arscott have been in Laguna for most of the summer, but are now in La Jolla for two weeks before returning home.

Mr. and Mrs. Archie DeLand have been in San Diego for the summer and plan to return home around the first of October.

A leisurely month's vacation was enjoyed by Mr. and Mrs. Larry Weingartner, who returned home Sunday night. Mrs. Weingartner (Jeannette), who is employed at the Palm Desert Post Office, has resumed her duties with her usual good humor and cheery greetings for everyone. They spent several days in Las Vegas enjoying the shows and then went to Sherman Oaks where they visited with their son and family, Mr. and Mrs. John Weingartner. There they became acquainted with their new granddaughter, Carole Leslie, and escorted the other grandchildren on a tour of Disneyland and Marine Land. Before returning home they drove to Phoenix, Ariz., where they visited friends for several days.

On a two week vacation from the post office is Mickey Murtha, who plans a quiet and relaxing time, mostly at home. She plans on a few short trips to the coastal area where she will visit with friends.

Mrs. Helen Furer returned to her home in Silver Spur Ranch around the first of September. She was the victim of an automobile accident in late June when starting out on a summer vacation. After a nine-day stay in the Kaiser Hospital, her brother, Howard Spilane, arrived to take her home to his family in Malibu where she convalesced. Before returning home she visited friends in Hollywood. Her mother, Mrs. Fausta Spilane, who has been ill for a number of months, remained in a convalescent home in West Los Angeles.

Around Town

The first of the big openings, that make the fall season such fun, saw around 400 people at The Dunes Thursday night, an assortment of celebrities, Villagers, newly-returned winter residents and some who came down just for the opening. Connie was beautiful, Ruby was happy and Lucy was busy.

It was the usual happy scene, with the ruby glasses glowing back of the bar and the lights twinkling in the driftwood decoration on the wall.

The old, familiar blackboard menus are gone this year, replaced by smart new red ones and Harry Gillingham is presiding at the piano and organ.

New, too, is the Dunes salad. It's concocted of spinach greens, with grated hard-boiled egg, bacon crisps and a sweet and sour dressing.

The first persons we spotted as we walked in the door, were Sandy and John Payne, who are at their Palm Springs home for three weeks. It was the first time John has made a public appearance here since that near-fatal accident in New York, when he was hit by a car. He looks fine and has progressed so that he is walking with just one crutch.

Investigating the Cub Room (Palm Springs equivalent of the Stork Club's famous celebrity room), we found the Milton Prells, with Noonie and Joe Hall, Bobbe Perlberg (Bill was due here the next day), and Bobbe's and Noonie's sister Pat Gerstenzang and her husband Robert, who are here from New York for the winter. This is the first reunion of the Brock Sisters, Bobbe, Noonie and Pat, in Palm Springs for several years.

At a near by table was the David Margolis party, which included Mr. and Mrs. Bill Kaster of Long Island, Herman Simms of Hollywood, and his grandson Sandy Oster.

In another booth were the Mervyn LeRois, with the newly arrived Frank Berings, Edna Rothbart and the Jack Lamberts. LeRoy has recently completed "The Devil at Four O'Clock," which stars Spencer Tracy and Sinatra, and he and Kitty are vacationing here for three weeks.

Millie and Jim Braden were at

a wall table and her son Don Holman was in the crowd. They had come down expressly for the opening and said they spent the summer at Point Loma where Jim taught Millie how to fish.

Early diners included Vivian and Glenn Austin with daughter Angela, and Sam Sontag. The Ray Goulds were dining with Dan and Dorothy Dunlap and son Billy. Dr. and Mrs. B. H. Poliak were with the Fred Ingrams.

With Mr. and Mrs. Sig Ehrens were the Lew Levis and Mr. and Mrs. Arthur Hirsch. The Arsen Alchians and Bill Darwins were a foursome, as were Dr. and Mrs. Julius Kaplan and M. and Mrs. Zach Pitts.

The Earl Hendersons had a central table with Willie and Trav Rogers, and the Ray Lushys were with the Don Floans. At an adjacent table were the Joel Stones with the Ken Hermans.

A new Villager, Mrs. Earl Erwin was with Mrs. Ruth Hardy; the Walt Sibberts with Mary and Schatz Bremer; the Russ Wades with the Jim Welshes; George Formans with Dr. and Mrs. Sidney Niles.

B. J. Sanchez and Ray Lowell were with the Curt Griffins and the Gale Livingstons of Eldorado. A twosome were Franz Briellings

of Santa Barbara.

As always other clubs and restaurants were represented in the opening night crowd. The Harry Chuddicks of the Tennis Club, and the new Club manager Barry Kearney, were at a table which also included Eddie King of the Beachcomber, the Frank Bogerts and Eddie Silverman, Virginia (Mrs. Irwin) Schuman, the Lou Mawbys and Mrs. Julian Stiff and Charles Nasko of Chi Chi, and George Robins of the Racquet Club, were all there.

With Mr. and Mrs. Leonard Berman was her sister Mrs. Ted Morse of Los Angeles who has a new home here. Mrs. Morse's husband and his two brothers are the ones who are building the fifty million dollar project in the Merchandise Mart in L.A.

Here from Laguna Beach were Mr. and Mrs. Victor Claridge. Among other first nighters were: the M. O. Andersons, Dr. and Mrs. W. C. McBride, A. R. Simons, Marty Cobins, Jimmy Coopers, Cliff Brown and his attractive fiancée Shirley Dunfield, the Harold Wests, Dr. and Mrs. Norman Haber, Roy Randolph, the Adrian Rosens, Ida Beard and Norman Jansen, Eddie Davidson, Patty Page and there were many more.

City of Hope Formulates Plans for Fund-Raising

At an executive meeting held at the home of the Hy Walders, 3305 East Sunny Dunes, tentative plans were formulated for the fund raising activities of the Palm Springs Chapter, City of Hope.

Delegates, who attended the National City of Hope convention held in Los Angeles in July, will give a detailed report on the unprecedented growth, achievement and recognition which has come to the City of Hope in the fields of medicine and science, at the opening meeting of the season to be held on Oct. 9.

Mrs. Harry Epstein, president, and Mrs. Irwin Malloff, chairman of the board, welcomed the committee and expressed regrets that David Slatin, chairman of ways and means had not yet returned

from his summer vacation. Mrs. Rose Walders, regional director, reported visiting a couple in Loma Linda who own a very small laundrette and who are donating receipts of one day a month to the City of Hope.

All mail, inquiries and contributions may be sent to Palm Springs P. O. Box 387.

UCR Plans Conference for Women Executives

A one-day conference for women in middle and executive ranks of management, including staff specialists, supervisors, administrators and line managers, will be held on the University of California campus at Riverside, Saturday, Oct. 7.

Through lectures and discussions the conference will give an overview of the present situation and new developments in such areas as obstacles which the promising woman employee must overcome, factors which help women achieve high level executive jobs, how women executives can prepare themselves for further advancements, management attitudes, and fields in which women are preferred over men because of the attitude that these jobs women can do better than men.

Organized by Business Administration Extension and the University Extension, at Riverside, the program is co-sponsored by the California Federation of Business and Professional Women's Clubs.

Following registration at 8:30 a.m., Dr. James Hartley, head of University Extension at Riverside, and Celeste Scott Walters, president of BPWC, San Orco district, will speak.

On the morning program are Phyllis Staples, director of personnel at UCR, speaking on "Women at the Top;" Robert F. Smith, executive manager of the San Diego Convention and Tourist Bureau, on "The Executive for the 60's," and Dr. Gunther Klaus, assistant to the vice president of sales, Purex Corporation, on "The Significance of the Case Approach."

P.S. Community Holds Consecration Service

Beginning a new season of work in the Sunday School a special service has been planned for tomorrow morning at the 11 a.m. Worship Service with all of the teachers and leaders of the Sunday School sitting together and participating

in the Consecration Service. Sunday School enrollment is expected to reach well over 700 and a staff of 50 workers is required.

Dr. Blackstone will bring the message on subject "The Church Must Teach or Die." Regular Sunday sessions will be held emphasizing Rally Day with an effort to try to bring in 10 per cent of the membership.

The Adult Bible Class will meet in the Sanctuary at 8:30, with Mr. Frank Carey teaching.

Junior High and Senior High Youth meetings are held at 6:30 in the evenings with an opportunity for growth in leadership and in participation in Christian activities.

At 7:30 the regular evening Worship Service will be held. The High School Youth choir directed by Mr. Dan Kammeyer will present special music. Members of the High School Department and the Pairs and Spares Bible Class will participate in the service with testimonies and Rev. Charles Brown will bring the message.

On Wednesday evening at 6:30, the Midweek service of Prayer and Bible Study is held. Dr. Blackstone is beginning a study of the interesting and challenging book of Revelations.

Church Service at 11 a.m. will be a special family service. Rev. Walter H. Reuning, Pastor of Our Savior's will deliver the sermon on the theme, "What Does God Want Me to Teach My Child?" basing his remarks on Psalm 78. The children's choir will sing.

At 1 p.m., Sunday School-Church picnic will be held at Tamarisk Park. Games, soft drinks and prizes are planned.

Bible Teachings P.D. Community Sermon Keynote

This Sunday the Palm Desert Community Church will observe Christian Education Sunday.

The Rev. Dean W. Miller will speak at the 11 a.m. Morning Worship Service on the topic, "How God Speaks to You Through the Bible."

Congregation Nove Sholem To Celebrate The Succoth

DESERT HOT SPRINGS — The Succoth, or Feast of Tabernacles, will be celebrated by Congregation Nove Sholem here beginning at 8 p.m. Sunday, Rabbi Isaac E. Bloch reported.

The event, third in a series of High Holy days for the Hebrew faith now being observed, commemorates the days of living in tents when the Hebrews migrated from Egypt to the area of present Israel.

A "Succah," or temporary structure with a branch roof, will be displayed on the Jewish Community Center grounds, Rabbi Bloch

said. The JCC Sisterhood will hold a reception in the building following the observance service.

Sisterhood committee members preparing the reception and decorations include Mrs. Jessie Winter, Mrs. Esther Bloch, and Mrs. Clara Katz. The "Succah" will be decorated with fruits and vegetables, signifying the late Israel harvest.

Entertainment for the evening will feature songs by the Dorff trio. Yom Kippur observances, which began Tuesday evening, were culminated Wednesday evening with a reception at the Jewish Community Center.

Indians Drop Opener to El Centro

WHILE THE DODGERS battle to stay in the National League race with the Cincinnati Reds, New York Yankee players engage in hi-jinks following their clinching of the American League flag. Manager Ralph Houk, first year manager, seems to be enjoying a beer bath after his team mathematically eliminated the Tigers this week in Baltimore. (UPI Telephoto)

Dodgers 'Ain't Dead' Yet

Nervous Team Gains Game On Cincinnati

ST. LOUIS (UPI) — Members of the Los Angeles Dodgers are a nervous group these days — and not all their problems stem from the hectic pennant chase.

Whether the Dodgers, who close out their three-game series against St. Louis Sunday after this afternoon's single game, win the pennant or not there are going to be some familiar faces missing from the 1962 edition of the team that moves into Chavez Ravine.

The expansion of the National League to 10 teams and the subsequent player pool for draft purposes will force the Dodgers to give up several of their old favorites or rapidly improving youngsters.

Snider Clouts Another
Duke Snider, who whacked his 16th home run Friday night as the Dodgers took the series opener from the Cardinals, 6-3, was supposed to be one of those sure to be placed in the player pool at the close of the season.

But the 35-year-old outfielder, thanks to a late-season spurge that has seen him keep the team dangling in the pennant race with timely hits in the past few games, has been given a reprieve.

Snider was notified personally by Los Angeles Vice President E. J. (Buzze) Bavasi that he would be back with the club next season.

"I think Snider can be valuable as a pinch-hitter," Bavasi said, "if he makes up his mind that he can help us by being available on the bench."

The news not only was good for Snider, a native Southern Californian, but also to Dodger fans, among whom Snider is a great favorite.

Hodges On List?

With Snider being pulled out of the draft, rumors have it that pitchers Roger Craig and Jim Golden, first baseman Norm Larker and Gil Hodges, catcher Norm Sherry, outfielder Gordy Windhorn and infielder Bobby Aspromonte will be placed in the pool.

Strong Spartan Squad Trims Locals, 26-6

Fumbles and penalties mixed thoroughly with inexperience was too much of an obstacle for the fighting Palm Springs High School Indian football team last night as it fell before a strong and fast El Centro Spartan team, 26-6.

The local contingent was completely outplayed during the game by a team which should go far in its league. It was not until the last two minutes of the game that the Indians could get some points on the scoreboard — and then the game was beyond repair.

Speedy Junior Ray Roberts, who bides well to become one of the top halfbacks in Palm Springs history, scampered up the sideline for 90 yards for the Indians points. He took the kick-off after the Spartans final touchdown on his own 10 yard line and, with the aid of a key block by Gus Walton, went all the way for the score.

Wind Bothers Play
A stiff wind plagued the teams during the game and was a definite hindrance to the passing game which was hoped to become an Indian strong-point this year. The Tribe tried only a few passes but had difficulty in making them good, so they stayed on the ground.

After a scoreless first quarter, the Spartans swiftly took advantage of a break on the first play of the second quarter when Mark Edwards fumbled a handoff on his own 26. One of the sharp Spartan quarterbacks, Johnson, gathered it and went into the end zone virtually untouched. A power play for the extra point made it 7-0.

A few minutes later, another fast El Centro back, Thomas, spun loose on a 54-yard run for the second Spartan TD and that was the way the half ended — on a 13-0 advantage.

Penalties Hurt Tribe
The Indians, who suffered from penalties all evening, did get a big break on a Spartan fumble a little later in the quarter. El Centro halfback Jim Lilly spun loose for a 32 yard jaunt into the Indian end zone, but the play was called back because of a penalty.

El Centro's final two scores came in the final half, one each to a quarter. With a fourth-and-three situation in the third quarter, the strong Spartan fullback Fierro tried for a first down but got a touchdown instead as he zoomed for the score on an 18-yard carry.

Then, with the game practically over — just a little over two minutes left — each team scored. Another Indian error set up the first one for El Centro when the ball was snapped three feet over Bill Bradley's head as he went back to punt deep in Springs territory. He got back to recover it, but the Spartans took over on the one-yard line and Quarterback Jones boomed into the end zone on a keeper.

Last Minute Spurge
After the ensuing kick-off, Indians halfback Roberts made his mad dash to put the Tribe on the scoreboard. The Indians tried hard in the final fleeting seconds as they recovered a fumble on the El Centro 33, and Wayne Bussberg scampered to the 25, but the short-lived drive ran out of gas.

Other than the final score of the game, the Indians did have a few happy offensive memories. Bill Bradley scooted for 22 yards on a

Jon Douglas and Roy Emerson of Australia, were faced today with tough semifinals matches in their attempts to reach the men's singles finals of the Pacific Southwest Tennis Tournament.

Douglas, a former Stanford University football player now stationed at San Diego was scheduled to play aging Hugh Stewart of Pasadena who upset Australia's Rod Laver earlier. Emerson, idle Friday, met England's Mike Sangster, who could surprise the slim Aussie.

A comeback win over Vladimir Petrovic, 32-year-old former Yugoslavian Davis Cupper, Friday put Douglas into the semis. After losing the first set, Douglas rallied to win, 2-6, 6-0, 6-2.

Stewart also had to go three sets in downing Larry Nagler, 1960 intercollegiate singles champ from UCLA, 6-3, 5-7, 6-2, Friday. The match ended under the lights at the Los Angeles Tennis Club.

In women's singles play, top-seeded Darlene Hard of Long Beach, current U.S. national champion, whizzed by Jan Lehane of Australia, 6-4, 6-0. Defending titleholder Ann Haydon of England, seeded No. 2, defeated Germany's Edda Budding, 8-6, 5-7, 6-1.

Miss Hard was scheduled to play Lesley Turner of Australia and Miss Haydon to meet young Karen Hantze of Chula Vista in today's semis.

Finals in singles and doubles are scheduled for Sunday.

In men's doubles, the Emerson-Laver team will play the duo of Australia's Bob Mark and Mike Franks of Beverly Hills for the championship.

Angels Seek to End Slump Against Detroit

LOS ANGELES (UPI) — Manager Bill Rigney has an upset stomach and he's got a good reason for it.

He watched his Los Angeles Angels kick away a ball game Friday night. They committed five errors as they lost 6-4 to the Detroit Tigers. The second-place Tigers chipped in with two errors — both by Dick McAuliffe.

In the second game of the series this afternoon, Ken McBride (12-14) was named to start for the Angels against Jim Bunning (16-11).

In Friday night's game before a crowd of 5,792 at Wrigley Field, the Tigers got only three earned runs among their six. These came on homers by McAuliffe, Dick Brown and Al Kaline. They were all hit off Angel starter and loser Eli Grba (10-13) who went seven innings.

Pitcher Frank Lary went all the way for the Tigers, getting his 22nd win against nine defeats.

In the first inning, the Angels took a two-run lead on Leon Wagner's homer with Lee Thomas on base. They lengthened the lead to 4-0 in the second on three singles and McAuliffe's errors.

But the Tigers got two runs in the third on a single and three successive Angel rookie errors — by Lee Thomas at first base, Jim Fregosi at shortstop, and Tom Satriano at third base.

After the homers by McAuliffe and Brown tied the score in the fourth, Kaline put the Tigers ahead in the sixth with his 19th homer of the year. The Tigers got their sixth run in the eighth inning when Joe Koppe, who succeeded Fregosi at short, threw away a ground ball.

RAM-BEAR TILT OPENS WEEKEND'S PRO PLAY

By United Press International
The Chicago Bears, who may try two quarterbacks in the same backfield in an effort to come up with a victory, renew a boisterous rivalry tonight with the Los Angeles Rams to open the second weekend of play in the National Football League.

Coach George Halas said he may use former Ram Bill Wade and Ed Brown in the same backfield when the Bears take on the Rams at Los Angeles Memorial Coliseum. He didn't say how.

The Rams are five-point favorites.

In the American Football League tonight, aerial bombs with strategy and youth bombs with experience when the Buffalo Bills entertain the Boston Patriots at War Memorial Stadium.

Quarterback Richie Lucas, 22, has taken complete charge of the Buffalo offense. Opposing him will be Boston's Butch Songin, at 37 the oldest regular signalcaller in the league.

Bruins Favored Over Academy

DENVER (UPI) — The UCLA Bruins bring a deep, powerful backfield up against an underdog Air Force Academy with a competent but shallow line and sophomore quarterback Joe Rodwell tonight.

The game, season opener for the Falcons, is scheduled at 8:15 p.m. tonight in Denver University Stadium.

Although UCLA was installed a 13-point favorite, the Falcons weren't listening to the odds-makers. But they will have to get the breaks tonight in order to overcome the obstacles of working with what Coach Ben Martin calls "the best line, end-to-end, we've ever had"—but only one line.

The eighth-ranked Bruins' backfield will be sparked by Kermit Alexander and Rob Smith at wingback to produce a lethal running and pass receiving combination.
